1 RGP owns a number of luxury hotels. The directors are planning to open a new hotel with 200 rooms. The hotel's location will be in the city centre. The Human Resources Director said: 'One of my roles is to recruit the 300 employees RGP will need from the local community. I think selecting new employees with the right personality is more important than their experience. Everyone will have 6 weeks of induction training.' She knows that effective communication between employees and customers will be important to the success of the hotel.

- 2 RVC uses batch production to manufacture a large range of products including soap and shampoo. Many of the products are at different stages of the product life cycle. The Marketing Director has been reviewing some data for one brand of soap, as shown in Table 2.1. She said: ‘Last year sales were 80 000 units a week. I want to know the current level of profit and margin of safety.’ The Marketing Director has to decide on a suitable extension strategy. The choice is between new packaging or targeting new markets.

Table 2.1

Cost, price and sales data for one brand of RVC’s soap	
Selling price	\$2.50
Fixed costs per week	\$20 000
Average variable costs	\$0.90
