TRAVEL AND TOURISM

International General Certificate of Secondary Education

Grade thresholds taken for Syllabus 0471 (Travel and Tourism) in the May/June 2012 examination.

	maximum	minimum mark required for grade:				
	mark available	Α	С	Е	F	
Component 1	100	65	37	23	18	
Component 2	100	63	39	21	18	

The threshold (minimum mark) for B is set halfway between those for Grades A and C. The threshold (minimum mark) for D is set halfway between those for Grades C and E. The threshold (minimum mark) for G is set as many marks below the F threshold as the E threshold is above it. Grade A* does not exist at the level of an individual component.

The thresholds for the **syllabus** are determined first by adding together the thresholds for the components taken by the candidate. A reduction may be made at the higher grades depending on the correlation of the papers. If the maximum raw marks for the components are not in the weighting/relationship specified in the syllabus, a weighting is applied to arrive at the overall thresholds. The A* threshold is calculated using the difference between A and B as a starting point.

The maximum total mark for this syllabus is 300.

The overall thresholds for the different grades were set as follows.

Option	Combination of components	A *	Α	В	С	D	E	F	G
А	01, 02	226	192	152	113	90	67	54	41
В	01, 03	246	212	172	133	107	81	62	43

Grade Thresholds are published for all GCE A/AS and IGCSE subjects where a corresponding mark scheme is available.
